COMMITTEE REPORTS

Mr. Limon reported that the Spring Fling was successful. He spoke about the proposed concession stand work. The Recreation Commission will be meeting at 7:00pm tomorrow.

Mr. Wolak's report is on file in the Clerk's office. The tax waiver requested was approved for \$154,000.00. The budget introduced was 2.56 and is now at 2.52 and still subject to cuts. He asked the people to understand that the approximate increase in taxes would be about \$200.00. Franklin Borough is only in control of 30% of the increase. The rest of the increase is the County and School. The State took away about \$5000.00 in mandatory watershed aid and the Borough will join Hardyston in a lawsuit at no cost. We are trying to secure a Fire Prevention Official.

PAGE TWO OF THE MINUTES OF APRIL 27, 2010

Mayor Crowley reported that the Spring Fling was very nice. Franklin Nite is coming up June 5th and EDC is having a cleanup day this Saturday. The Chief of Police Association is recognizing Officers Geddis and Cugliari for the exceptional duty at the Senior Center fire and during a violent arrest.

Mr. Wolak discussed the Water/Sewer increase, the increase from Sussex County Municipal Utility Authority and the breakdown of the increases. We have no control in the increases. He discussed SCUMA's control of flow control for solid waste. Franklin is not alone. He said we have trimmed the municipal budget. The increase in the Municipal budget from last year to this year was only \$26,000.00 and have reduced our debt service. We have done everything to maintain taxes.

Mr. Wolak discussed the re-evaluation that was ordered by the state. He discussed the fair and marketable rate on the properties. You can ask for a reassessment if you find there is incorrect information by contacting the Tax Assessor. He discussed that the budget needs to be balanced every year. He mentioned that the state does have to balance their budget every eight years. They have put us in competition with Newark and other large cities for what is now called Distressed City Aid.

OPEN PUBLIC SESSION

Mr. Stoll made a motion to open the meeting to the public for anyone wishing to address the Governing Body. Seconded by Mr. Limon. All were in favor.

Joanne Tatka of 151 Maple Road expressed her concerns regarding the \$200,000.00 per acre assessments and houses have been mis-measured. The Mayor explained that they were comparing land in Sussex County. She said that it is not a fair value. She also felt that the Borough should keep the budget under the cap.

Mr. Krupa of 134 Main Street stated that he was impressed with the rhetoric from Mr. Wolak. He asked "how are we going to survive, how are you going to get the costs down and what are you doing for us?" He discussed the two year process of the sandwich signs. The Mayor said "that they are looking into every line item and if they have to cut they will."

David Morgan of 150 Main Street suggested garbage pickup for two trash cans per house.

Jim Marino of 4 Hilltop Lane wants the Council to trim the fat, look line by line. He finds the information regarding the Police Department and medical benefits for Council members disturbing. Mr. Wolak defended the Council by letting Mr. Marino know that the Council has agonized over the budget. They are looking at every option.

Mark Franco of 16 Sterling Street discussed the Allegiance Network would like to hold a Main Street Fair. He discussed that this will drive traffic through Franklin and possibly create new business and jobs. The Mayor asked him to speak at the EDC meeting.

There being no one else present who wished to address the Governing Body, Mr. Limon made a motion to close the meeting to the public, seconded by Mr. Stoll. All were in favor.
