

Resolution No. 2018-84

**RESOLUTION OF THE GOVERNING BODY
OF THE BOROUGH OF FRANKLIN
REGARDING IMPROVEMENTS TO NEWTON STREET**

WHEREAS the Borough Council has received comments from residents along Newton Street regarding standing water, drainage issues after rainfall events and pavement conditions for said road; and

WHEREAS the Borough Engineer and Department of Public Works Superintendent have inspected the site in the past and continue to agree that Newton Street is in need of rehabilitation and have primarily identified drainage issues along the roadway which confirms the compelling public need to perform remedial work thereto; and

WHEREAS the Borough Engineer has indicated that drainage improvements should occur first with engineering, surveying and drafting work required to prepare a plan for drainage improvements to be completed by the engineer's office for a cost not to exceed \$2,000; and

WHEREAS the CFO has certified that funds are available; and

WHEREAS the Borough Engineer and Department of Public Works have agreed that preparation of said remedial plans should be prepared in a way to facilitate all work, other than milling and paving work, to be completed by Department of Public Works employees and equipment; and

WHEREAS following completion of the needed drainage work by the Department of Public Works, a future plan for the milling and paving of Newton Street will be procured in accordance with the current Borough Roadway Capital Plan with necessary amendments thereto to prioritize the paving of Newton Street; and

NOW THEREFORE IT BE RESOLVED by the Governing Body of the Borough of Franklin that \$2,000 in engineering costs are approved and the Borough Engineer will submit a further cost estimate for the project to the Borough Council for approval.
