Dear Property Owner:

If arrangements have been made by you and your tenant to receive a copy of the water/sewer bill, please fill out this form with the name and mailing address(es) of the person whom you would like these bills sent to. You must sign this form, authorizing us to do so. Until this is returned to us, these bills will be sent to you.

I, as the owner, realize that even though these bills will be sent to someone other than myself, I am still, nevertheless, responsible, by law, for amounts due if the tenant fails to pay and for any interest or other fees that may be due because of delinquencies.
