PROPERTY OWNER NOTIFICATION

Hemlock Drive – Apron and Curbing Project

Dear Property Owner,

We are writing to inform you about upcoming curbing and driveway apron construction operations scheduled to take place in the coming weeks. The work will occur between 17 Hemlock and Maple Road, with the staging area potentially located in the cul-de-sac bulb.

The Borough has appointed a construction company to carry out the curbing and apron replacement. Please note that sidewalk construction is not included in this project. Concrete aprons on the odd-numbered side (e.g., 3 Hemlock, 5 Hemlock) will be removed and replaced with asphalt aprons.

Construction will take place Monday through Friday, from approximately 7 AM to 6 PM. During this time, access to your driveway may be temporarily restricted. We kindly ask that you move your car from your driveway the night before your driveway apron is scheduled for removal.

We will make every effort to notify residents of any changes to the construction schedule.

Unfortunately, inconveniences will likely occur related to your daily activities during this time. We ask that you be patient while we perform these needed improvements and want to assure you that the contractor will try everything to accommodate your needs. Please feel free to contact me and/or Borough Hall with any problems, concerns or comments that you may have during this construction process. Your anticipated cooperation is greatly appreciated.

Stefanie Williams, PE, CME
